Count of Applicability/relevance to real life situations [Timely access of the material]

Count of Applicability/relevance to real life situations
[Punctuality of the faculty member]

Count of How much of the syllabus was covered in the class?

Suggestion during feedback of alumni

group discussion and workshops
Sir pleas start the M.Sc. Biotechnology
Try to arrange maximum guest lecturers from industrial and research area. While feeling academic staff, maximum education criteria (PhD/NET/SET) should be considered.
It need to increase
All of the facility in college is very good
Hands on experiance with different advanced instruments.

This collage is highly education and any more facility .I like collage
kabaddi and function
Organise any special programms for persnality development of the students
All is good
Of the new course is added in this syllabus
No any suggestion
Communication of all students with each other and faculties must be in English, so that students are beneficial
Hands on training for relevant subjects in Biotechnology, exposure to workshops/seminars/conferences, honorary lecture series by eminent scientists for academic students
