

## Core Values of Institute

The core values are a set of principles which are aligned with bringing the Institute's mission and guide the practice and development of curriculum, faculty, students, and staff.

**Ethics** – To achieve student centric environment for educational, cultural, intellectual and social development of student. Educating student to overcome every challenge in personal, professional and social life for the betterment of society. Foster a learning environment that promotes responsible, principled behavior which respects the dignity of all members of the community.

**Integrity** – Conduct all activities in an ethical manner. Commit to practices that are fair, honest, and objective in dealing with students, faculty members, staff, and stakeholders at all levels of the community. Sensitizing students in issues like Gender Equality, National Integrity and Environment

**Student Service** – Encouraging student to participate in sports and co-curricular activities for overall development. Strive to ensure that curriculum, delivery, and support services respond to inquiries, requests, and concerns in an appropriate and timely manner.

**Quality** – Provide educational programs that lead to the acquisition of knowledge and skills necessary to achieve information literacy, career advancement, personal enrichment, leadership, and service to the community. To ensure program quality, bringing Institute assesses practices, policies, and procedures on an ongoing basis to strengthen the overall effectiveness of curriculum, instructional delivery, and operations. To pursue high standards of academics for professional development and social contribution. Providing access to under privileged sections of the society to bring them in main stream. To facilitate modern infrastructure and updated means of education. To make every student employable through holistic education and skill development
